- **Project Scope**

Restructuring of 2014 contract to facilitate the Agency's three pillars:

- Payment Reform
- Clinical integration
- Hot spots and disparities

- **Project Status**

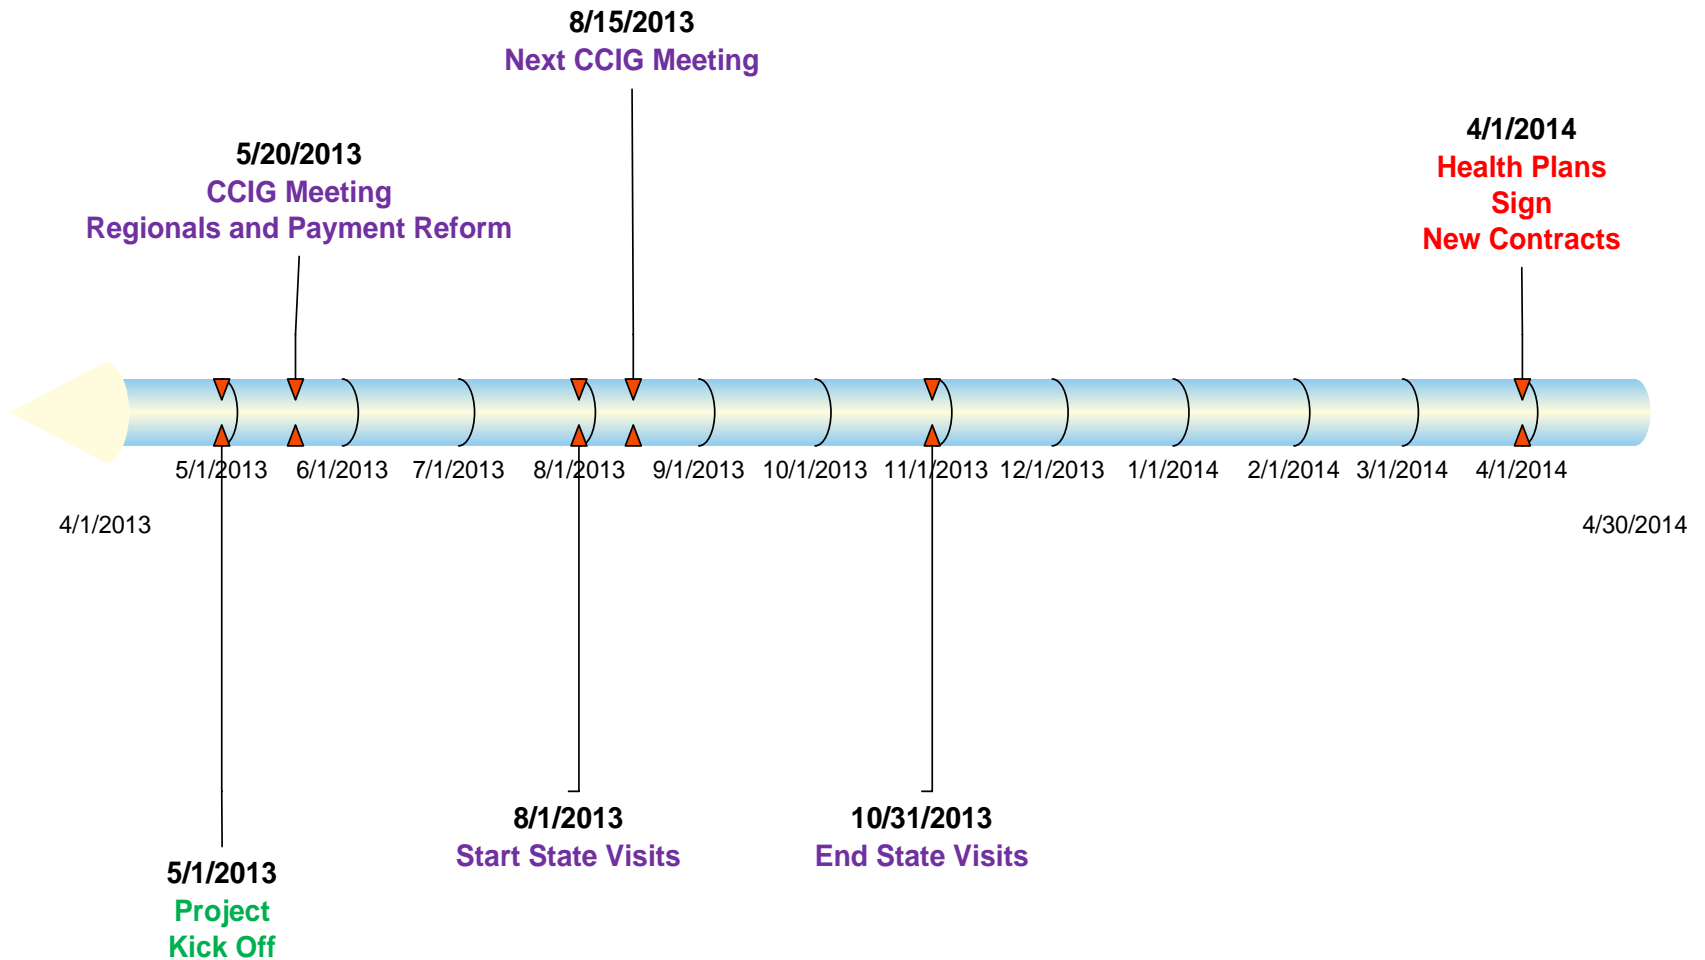

- Green

2014 Contracts Innovation

Milestones

- 2014 Contract effective date has been delayed until July 2014
- In development for requirements of Regional Model; projected date for release is September 2013
- Plans will be required to sign amendments in October 2013 for extension of current contracts until July 2014
- Hosting CClG stakeholder meeting on August 15, with additional meetings throughout the year
- Sections of the contract will be posted on the web and stakeholders will be notified via email so they may make comments
- Be sure to sign up for listserve notifications by sending an email to Nate Patterson at PattNat@SCDHHS.GOV

Contracts Innovation Timeline

SCDuE Demonstration

3-Year Demonstration

- To integrate and coordinate care for beneficiaries with both Medicare and Medicaid
- To purchase quality health outcomes through a person-centered model that delivers care at the right time and in the most appropriate setting

Target Population

- Full-Benefit dual eligibles
- Age 65+
- Non-institutional
- Non-PACE

SCDuE Status Update

- Enrollment begins July 1, 2014 (opt-in enrollment period followed by passive enrollment)
- SCDHHS is negotiating Memorandum of Understanding (MOU) with CMS. The MOU is an operational agreement between SCDHHS and CMS and includes changes to the model as described in the original proposal (May 2012)
- Participating health plans will be selected once the MOU is finalized and fully executed.
